Importance: High

Hi Liz,

Sorry for the delay. I've been out of the office (diving in the Sea of Cortez!) and then catching up on some other projects. I believe this is the semi-recent project summary you were asking after. Hopefully this isn't getting to you too late to help.

-Carter

Importance: High

Hi Trina – As discussed last week, below is the latest on Rosemont in prep for Jared's discussion with Gen. Mark Toy on Thurs. I've condensed it into a blurb, but can fold it back into an update of our full project briefing paper if that is preferred.

Ex. 5 - Deliberative Process
